Member-Owned Power Cart
Annual Storage and Use Agreement Renewal

Only members with agreements made with Picton Golf & Country Club prior to 1998 are permitted to use privately owned power carts on the course and lease storage spaces on the property. No further agreements will be issued.

The Agreement gives permission for the use of member-owned power carts on club property and includes storage of member owned power carts from April 1 to March 31 annually. Existing member-owned power cart agreements must be renewed and storage fees paid along with membership dues no later than April 1, annually. Members who do not renew their agreement by April 1 may be subject to the removal of their power cart from the property. Member-owned power cart agreements do not include maintenance of any kind. Storage space assignments for member-owned power carts are determined by Picton Golf & Country Club. A storage space may not be transferred to another member for any reason. Owners are responsible to keep their storage space tidy and free from safety hazards. Owners are responsible to keep the storage building locked and secure after the removal and return of their cart.

Member-owned power carts must be kept clean and in good condition and repair at all times. In the event the maintenance or appearance of a member-owned power cart depreciates to an unacceptable level, the member will not be permitted to continue it use. Owners will be responsible for removing their power cart from the golf club property in the event it becomes inoperable.

When in use, member-owned power carts must be in the immediate possession and control of its registered owner(s). At no time shall more than two golfers and two sets of golf clubs occupy a member-owned power cart. Owners must operate their power carts according to the power cart usage rules in effect each day as determined by the club and administered by the Pro Shop. Member-owned power carts are not permitted on the course when carts are prohibited from the course due to turf or weather conditions. Member-owned power carts must stay on driveways when exiting the storage area and may not be driven on the fairway of hole #17.

Owners of private power carts assume all liability for accidents and injuries arising form the operation of their power carts and are responsible for all damages to golf course property or other property, equipment or individuals from any cause whatsoever involving their carts. Owners of private power carts agree to hold Picton Golf & Country Club free from liability in the event of loss through fire, theft or damage or any kind during the term of the agreement.
