

Covid-19 Update
April 16, 2020

Picton Golf & Country Club remains in temporary closure due to the Covid-19 situation. Our focus is on the health, safety and well-being of our members, guests and staff and we continue to follow all Government and Health Officials guidelines and restrictions.

Ontario recently updated the provincial Emergency Measures and essential business closures, and these will now be in effect until May 12, 2020. We expect further updates on or before this date.

Turf management is on-going as per previous government approval. This puts us in a positive position in that the course will be ready for play as soon as restrictions are removed.

Strict new health and safety standards and measures to ensure safe play will be adopted once the course is open. These plans will be detailed as we get closer to our allowable opening date.

Stay safe and think “golf”. We will open just as soon as we can.

Board of Directors,
Picton Golf & Country Club
