To allow for more member participation, especially by those members who have made the choice to play regularly from forward tees, there is the opportunity to include NET SCORE divisions for both Men and Women. These additional divisions will be run based on interest and level of participation. Valid handicaps are required, and play would be from declared tees. Players play both days.

Play It Forward

We hope to include **The “Play It Forward/Relaxed” Division** for those who want to participate in a non-competitive round. If there is sufficient interest, this division will be played on Sunday morning and is **open to all Men and Women**. Players may play from the tees of their choice. **Handicaps are not required, and rules are relaxed to encourage participants to come out and have fun.**

Order of Play - Tee Times start at 8:00 am both days.

Saturday: Women A – B – C, followed by Net Division (if offered), then Men A – B – C, followed by Net (if offered).

Sunday: Play It Forward division goes out first, followed by the reverse order of flights, based on Saturday’s results with the last groups consisting of the top 4 contenders in each flight.

Celebrations on the deck will follow the Friday Night Shoot Out and on both Saturday and Sunday afternoons as we enjoy some drinks and snacks and cheer on the players!
