

2024 Rules Clinic Monday June 24th

To conclude our spring Education series, the 2024 Rules Clinic will be held on June 24 from 10:30 am until noon and will take place at the Club's short game practice facility.

This fun and informative session will be presented by Golf Ontario Level 4 Rules Officials and educators Barb Allan and Judy Pouliot and will cover important situations that happen on a regular basis when we golf.

You will be able to see in real time how to apply many of the rules covered in the education series newsletters of April and May. Situations and examples of penalties - or just plain trouble - as might occur on the course, will be followed by the accurate application of the appropriate rules. You will learn the correct way to proceed if you get into trouble areas and, just as importantly, how to apply the proper score.

There is no cost for this clinic, but we ask that you pre-register to attend. Attendance is limited to the first 20 to register. Register online or sign up in the Pro Shop. Deadline is June 20.
