

How To Post Your Scores

The Quick Tip

Scores are posted through the Golf Canada Score Center.
All members of Golf Canada have access to the Score Center.
There are several ways to access the Golf Canada Score Center

Golf Canada Score Center Kiosk in the Pro Shop.

Click on the **MEMBER LOOKUP** button and enter your last name. Click on **FIND**. Select your name. Follow the onscreen instructions to enter your score. Ensure you enter using the “Hole-By-Hole” method. Enter your Gross score for each hole and the program will calculate the correct Maximum Adjusted Score. Don’t forget to make sure you are posting using the correct tees.

Important Information: Due to COVID-19 restrictions, the Pro Shop Kiosk will not be in use until further notice.
