"A" and "B" Flight Match Play Trophy

- Entries are divided into 2 flights based on handicap (50/50)
- Individual match play with no handicap
- Most holes won wins the match

Jerkins-Evans Two-Ball Trophy

- 2 man team alternate shot match play competition with handicap
- Each team member tees off and then best of two tee balls is selected and then played alternately until the ball is holed out
- Combine team handicaps and determine 40% of the difference between the teams total handicap to determine strokes. Allocate the strokes to the appropriate holes using the scorecard.
- Most holes won wins the match

Essroc Four-Ball Trophy

- 2 man best-ball teams using medal play with handicap
- Every player takes his full handicap to determine on which holes he will receive a stroke
- Both partners play each hole out and the team score is the best net individual score on that hole. The team combined score is the total of the individual net hole scores.
- Lowest 18 hole team score wins
